

# Resources to Support Student Learning

## Math Resources

#### DreamBox

Use your school login to access lessons aligned to our Bridges math curriculum.

#### **Bridges Family Support**

Find additional at-home activities by selecting your child's grade level.

#### Xtra Math

This is a great way for students to practice math fact fluency.

# Reading Resources

#### Cedar's Online Library

-Use your school login to read digital books from home.

#### Starfall

Phonics and reading activities for students in grades K-3.

#### Storyline Online

This children's literacy website has books read aloud. Each book also includes supplemental activities to aid in comprehension.

### Other Resources

#### <u>Freckle</u>

This online resource can help students practice both reading and math skills.

#### **PBS Kids**

Check out the educational games to help with learning: math, reading, ABC, rhyming, and more!
